I would be grateful for your evaluation of the enclosed paper for possible publication in the journal *Thermal Science*.

It is our intention to publish papers of the high international quality. Please, pay special attention to: relevance to the scope of *Thermal Science*, originality, completeness of the paper, adequate acknowledgement of the past related work by others, in the reference list, organization and composition of the manuscript (abstract, objective, description of the method, clear presentation and discussion of the results, validation and comparison to the results by others, tables and illustrations, conclusions, clarity in English, etc.).

I would appreciate if you can check your opinion on next page, and your summary opinion and comments on separate page. Your review is kept strictly confidential.

Please return the review by E-mails (mladens@masfak.ni.ac.rs, bakicv@vinca.rs, or okasn@rcub.bg.ac.rs).

Thanking you in advance for your effort on behalf of the Journal.

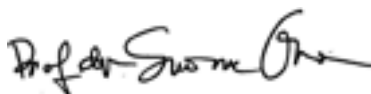

Yours sincerely,

Prof. Mladen Stojiljković, Ph. D., subject editor

Vukman Bakić, Ph. D., Editor-in-Chief

Prof Simeon Oka, Ph. D., Editor-in-Chief Emeritus
