

IEC-2023

9th International Engineering Conference

“A new Trend for Research and Development in Engineering”

Letter of Appreciation

Date: 22/02/2023

Dear, Mrs. Aksana Jhad Mohammed
(Erbil Polytechnic University, Iraq)

We wish to genuinely thank you for reviewing the 10 articles (listed below) submitted on 9th International Engineering Conference (IEC2023), jointly organized by Tishk International University and Erbil Polytechnic University, and technically sponsored by IEEE represented by IEEE Iraq Section.

Thanks to your contributions, which help us to organize such a great international engineering conference hosted the researchers from all over the world and provide a dynamic and fruitful environment that fosters the scientists, researchers, and scholars in the computer and civil engineering fields.

Thank you again for all of your generous support, we could not have done it without you!

We look forward to your contribution again next year.

List of articles:

Paper ID	Paper Name
1570867556	Sustainability of the Pasig River Ferry Service (PRFS) as a Mode of Transport
1570839240	Evaluation of the Efficiency of e-Jeepneys as a Mode of Transportation
1570840102	Determination of the Labor Productivity Rates for New Materials
1570841970	Automation as a Sustainable COVID-19 Response in Construction Sites
1570842866	Workers' Perception of Safety Climate in the Philippine Construction Industry
1570843164	Optimization Model for Construction and Demolition Waste Management System
1570866696	Cross-Functional Collaboration and Project Capital Efficiency: Mediating Role
1570866730	Risk Assessment in the Workplace of Road Construction Workers in Manila City
1570867252	Ranking the Effectiveness of Cost Management Practices in a Construction Project
1570868790	Impact and Efficiency Analysis of Bicycle Lanes Implementation in Manila City

Sincerely,

Dr. Abubakar M. Ashir

Dr. Ganieena I. Khoshnaw
