# Course Book

<p><b>Course Description</b></p>	<p>This course consists of communicative speaking and listening skills side by side with writing skills in English language, the course contains vocabularies and expressions about general and everyday communications. The students will familiarize to a large number of essential and useful expressions that are beneficial to their future work.</p>
<p><b>Course objectives</b></p>	<p>English language studying is very important generally and essential specifically to graduates of institutions and colleges, because nowadays English is a Global language and used as a mean of communication among peoples of different countries and regions.</p>
<p><b>Student's obligation</b></p>	<p>Students should be ready to do:</p> <ul style="list-style-type: none"> <li>• Attend the classes and do class activities, home works, and quizzes.</li> <li>• Prepare seminars.</li> </ul>
<p><b>Required Learning Materials</b></p>	<p>Power points, data shows, video presentations, speakers and white board.</p>
<p><b>Assessment scheme</b></p>	<p>24% Mid Term (Theory)              8% Quiz              28% Assignment (%2 class activity, homework %10, seminar %16...)              40% final theory</p>
<p><b>Specific learning outcome:</b></p>	<p>-By the end of the course the students get to know some basic units in English language that are necessary to know and learn especially when you search for a job in the future. Nowadays, knowing English language is one of the main conditions that employers want to see in your cv when applying for a job.</p>
