Dear Ava Mohammed:

Thank you for completing the review of the submission, "Experimental Investigation on the properties of carbon fiber/epoxy composites blended with rubber particles," for Strojniški vestnik - Journal of Mechanical Engineering. We appreciate your contribution to the quality of the work that we publish. You will be informed about further editorial decisions.

You can also take advantage of a 30 % publication discount, as reviewers who submit timely and substantive comments will receive a reduction in the publication fee for their potential future accepted papers if they are submitted in the following year at SV-JME.

Best regards.

Vincenc Butala
