

This is to certify that

**Azad Manguri**

**Iraq**

attended the

**ESOC 2023**

**9th European Stroke Organisation Conference**

24 – 26 May 2023

**Prof. Peter Kelly**  
ESO President

**Prof. Robin Lemmens**  
Chair Conference Planning Group

ESOC 2023 (24 - 26 May 2023) has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) for a maximum of **17 European CME credits (ECMEC®s)**.

Each medical specialist should claim only those credits that he/she actually spent in the educational activity.

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at [www.ama-assn.org/education/eam-credit-participation-international-activities](http://www.ama-assn.org/education/eam-credit-participation-international-activities). Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.
