This is an official **Acceptance Letter** form Tikrit Journal of Engineering Sciences

MS.Id: TJES1758	Author/Authors Name: Thaker S. Dawood, Basim M. Fadhil, Dlair O. Ramadan	MS. Title: Experimental Characterization of Glass /Carbon Hybrid Composite Reinforced by SiO2 Nanoparticles
-----------------	--	---

Dear Thaker S. Dawood, Basim M. Fadhil, Dlair O. Ramadan:

Greeting and Cong. we have reached a decision regarding your submission to Tikrit Journal of Engineering Sciences, "Experimental Characterization of Glass /Carbon Hybrid Composite Reinforced by SiO2 Nanoparticles".

Our decision is to: **Accept the Manuscript**

Prof. Dr. Aziz I. Abdulla,

TJES Editor in Chief ,

Date: 24/06/2024

 Tikrit University – College of Engineering
 Al- Qadesiyya District
 Tikrit, ZIP: 34001
 Salah Al-Din Governorate, Iraq

Important Notices

The editor reserves the right to cancel the acceptance of publication at any time and in the following cases:

- If it is revealed before the publication of the research that the plagiarism percentage is high.
- If it is found that there is a violation of publishing ethics.
- If it is discovered that there are sources in the reference list that are unrelated to the research.
- The researcher's inability to prepare the final version of the research by the deadline.

Furthermore, the editor has the right to cancel the acceptance of a research publication and inform all the databases that have indexed the research of this cancellation for one or more of the following reasons:

- Violation of publishing ethics.
- The presence of sources in the reference list that are unrelated to the research.
- The emergence of a conflict of interest.
- A complaint filed against the research by any party.

What next

-Upload final version including full details about authors(E-mail-Affiliation and ORCID)

please note : must upload final version in copyediting tab (not in submission or review tab)

-You must re-write your article according to [Author Guideline](#).

-If you use EndNote program you must download TJES references style form our website , you can find it in Author Guidelines (or [click here](#)). Also, you can find Mendeley Style in Author Guidelines. If you can't use it correctly you can arrange references manually.

-You may add new references form our journal. To see new article published in tikrit journal of engineering sciences [click here](#).

-The submission will convert to copyedit

-TJES copyedit will contact you via discussion if he needs any details or modification

-After complete copyedit the manuscript is converted to production

-The production assigned by TJES proofreading

-After your correct your article according to proofreading comments, the TJES copyedit will prepare the final copy for publication.

-If you don't have any comments you need to give your agreement to publication.

-The copyeditor start the publication process

Best Regards
