EDUCATION

M.Sc Construction Engineering And Management in Malaysia
University of Science and Technology
January 2014 - May 2015

B.Sc Civil Engineering in Erbil Polytechnic University
2008 / 2011

WORK EXPERIENCE

Erbil Polytechnic University – Asst. Lecturer
2015- present

After finishing my master degree in Malaysia. I returned back to my university as a lecture to first and third stage in Highway Department. I am teaching Engineering Management and Economy To the third stage and Computer Essentials to the first stage.

Erbil Polytechnic University – Civil Engineer
2012-2014

As my B.Sc Degree was high and I have been second on my College, the government employed me as an engineer in my university. I worked as an Engineer for two years in EPU and then government gave me a scholarship to study master degree in abroad.

SHANDZ Company - Site Engineer
2011-2012

Managing different parts of construction projects, supervising crew members, preparing estimates for time and material costs, completing quality assurance, observing health and safety standards, and compiling reports for different stakeholders.
