

# Curriculum Vitae

## 1. Personal Data :

- Name: *Faris Mohammed Jasim*
- Date of birth: 15-03-1958.
- Marital Status: Married
- Address: **Engineering Technical College –Erbil (EPU)**
- Mobile:009647507587248
- Email: *dr.farismohammed@yahoo.com*
- Email: *faris.jasim@epu.edu.iq*
- Experience duration: More than 40 years.
- Knowledge of languages: Kurdish, English, Arabic
- Pass port number :A8884750 – Erbil: Expiration date : 19<sup>th</sup> June 2023

## 2. Higher Education and Scientific Title :

- **B.Sc. Civil Engineering, Salahaddeen University, 1980 - 1981.(High Good Rank )**
- **M.Sc. Construction of Materials , University of Technology, Baghdad, 1998-1999. (Excellent Rank).** ((Evaluation of healing properties in HMA using fracture mechanics approach))
- **Ph.D. Specialized in Highways Transportation Engineering, AL-Mustansiriyah University, 2005 -2006.( High Very Good Rank).**(*Development of Models for the Prediction of Performance Properties of Recycled Asphalt Pavement*).
- **Assistant Professor since 05/22/2013**

## 3. Professional Experience :

- ❖ Current occupation :up to date: **Assistant Professor** in Technical College –Erbil, Highway engineering Department.(2007).
- ❖ **Head** of Highway engineering Department Technical College –Erbil (2018-2020)
- ❖ Consultant Highway Engineer Erbil Government and Construction German Lab. (2018).
- ❖ His capacity and capability in giving technical advice and prepare designs and providing solutions to companies related Highway projects.

- **Supervising of master's theses , discussion and lecturer for graduate students(Ph.D & Ms.c)**
  - **Has ability as advanced lecturer in ( construction materials, advanced asphalt technology, advanced concrete technology , construction method ,advanced pavement design ,advanced highway materials ,highway geometric design , transportation planning , airport and railway design , and reconstruction and rehabilitation of civil projects.) subjects.**
- ❖ **Has a number of scientific researches published in journals belonging to accredited Highway engineering materials**
  - ❖ **Management, supervision and commissioning of a new department (Engineering of Highway and Transport Technologies) at the Technical Engineering College 2011**
  - ❖ **Administered and supervised several seminars and scientific workshops for the governorates of Kurdistan since 2008 for the advanced engineering staff of the public and private sectors and the various relevant departments.**
  - ❖ **Supervisor of Laboratory –Yuksel –Insaat,aa company(KSK Highway project), 2010 -2012**
  - ❖ **Has established many seminars with cooperative GDRB in Erbil, and Erbil Municipality, specialize of Pavement design ,AASHTO ,1993 ,Geometry Design ,and Highway Materials properties, 2008-2013**
  - ❖ **Quality Control Consultant –Makyol-Genkiz –Turkish Company , (Erbil-Perda Highway project ), (2010-2009).**
  - ❖ **Supervisor and consultant engineer , during 2007&2008 in:**
    - **MEC projects-Erbil,**
    - **Bekhma Dam Projects , and Highway projects.**
  - ❖ **Project Manager in Oman ,Salala ,Highway projects ,2002- 2004**
  - ❖ **Working as Material Engineer with Canadian Consult Company, UAE (Abu Dhabi), 2002**
- ❖ **Rank of engineering union: consultant since 2000.**
  - ❖ **Employment Grade: Senior Chief Engineer.**
  - ❖ **Manager of asphalt mixture plants and many projects.**
  - ❖ **Supervisor on many buildings and houses construction in private sector :**
