Dear Dr Gailan,

The Kurdistan Journal of Applied Research (KJAR) has the honor to invite you to review the attached manuscript. Given your expertise in this area, I would appreciate reviewing the paper and sending it back within **four weeks maximum**.

1. Write your comments/corrections **in the manuscript using word track**
2. After completing the review, **rate the questions** mentioned in the **review feedback** and add your final decision.

Please make sure to write constructive, detailed comments and feedback to help authors improve their paper, Check Reviewer Guidelines for more details on how review feedback can be written.

Note: Would you kindly confirm whether you are able to review the manuscript or not.

I look forward to hearing from you

Kind regards,

Associate - Editor
Assist. Prof. Dr. Hozan K. Hamarashid
