Dear Prof. Dr. Mereen Hasan Fahmi Rashid,

Hope my email finds you well.

I need a **very urgent review** for the attached paper entitled “**Effect of Waiting Time Before Re-vibration of Concrete Beam**” for possible publication in our journal. The author is a master's student, the paper needs a quick

Your name has been suggested as a possible referee for this paper, and we'll be honored to have your input. The paper, but please do not pass the paper to another colleague for a referral without notifying us.

If you are unable to assess the paper for us, please inform us immediately. Your suggestions for alternative referees contact me if you have any questions.
