Dear Dr. Reviewer,
After considering your experience and credentials in your speciality, The Polytechnic Journal Board would appreciate your input in terms of scientifically evaluating the manuscript under the title **"912-Utilization of Carbon Fiber Reinforced Polymer for Strengthening of Structural Light-weight Reinforced Concrete One-way Slabs"**. We would be grateful if you could assess the sustainability of the above manuscript for publication within 14 days. Please complete the attached form upon completion

....Best Regards....

Dehat I. HAMAD
