Dear **Mohamed Moafak Arbili**,

Thank you for the review of the manuscript, entitled "**Where is the Source? Water Sources for non-resident students at the University of Kabianga, Kenya**" for International journal of Research publications ([IJRP.ORG](https://www.ijrp.org/)). We appreciate your effort and expertise that you contribute to reviewing, without which it would be impossible to maintain the high standards of peer-reviewed journal.

Sincerely,
Editorial Assistant
