Dear Dr. Mohamed M Arbili.

Paper ID : CAC34469K

Title : A Hybrid Technique Adopted for Study on the Properties of Geopolymer Concrete by Using Recycled Concrete Aggregates

Thank you very much for your prompt review of the above paper.

I would appreciate your efforts and time spent to review the paper. Regarding your opinion on the paper, we will request the author(s) to revise his paper in accordance with your comments.

We are looking forward to your enjoyable association with the "Computers and Concrete, *An International Journal*" in the future.

Sincerely yours,

Prof. Hyo-Gyoung Kwak, Ph.D

Editor-in-Chief

Computers and Concrete, *An International Journal*
