Dear Dr. Benim

I hope you are doing well.

Please forget my previous Email and consider this Email, as in this Email I added the ORCID for all Authors which is the only change I made compared to the previous Email.

I submitted both of my papers (Numbers: 153 and 154) to my account in EquinOCS. Here, I also attach the papers in both PDF and DOCM formats.

I hope very much to hear from you.

Best Regards

MA Sulaiman
