Dear Asst. Prof. Dr. Muayad Ahmed Mahmud

Greetings,

In view of your expertise, we will be grateful if you could find time to review the below manuscripts within a period of 10 days:

41A	β-Lactamase and Antibiogram in Some Gram-Negative Bacteria Isolated from Foot Ulcer Patients.
41B	Occurrence of blaTEM among Pseudomonas aeruginosa Strains Isolated from Different Clinical Samples in Erbil City

Please kindly find attached manuscript and the evaluation form.

Kind regards,

Asst. Prof. Dr. Goran Qader Othman
