Dr. Rebwar Kahlid Hamad

Acknowledgement

In the Name of Allah, Most Gracious, Most Merciful

We would like to express our admiration to (Dr. Rebwar) for guiding us through each and every step of the process with knowledge and support. Thank you for your

advice, guidance and assistance, without your precious support this will not have been completed. Our thankful to the almighty God who had given us the power, good sense and confident to complete our project successfully. In completing this graduate project, we have been fortunate to have help, support and encouragement.
