S/ Research Evaluation 1004

Dear Dr. Sazan Moffaq Abdulaziz

After considering your experience and credentials in your specialty, the journal board would appreciate your input in terms of scientifically evaluating the following paper

(Combined Effects of Antibiotics and Acidified Nitrite on Biofilm Formation by Beta Lactamase Producing Uropathogenic Bacteria)

We would be grateful if you could assess the suitability of the above paper for publication within two weeks.

Please complete the attached form upon completion

Yours sincerely
