Dear Dr Shahab Wahhab Kareem,
Thank you for submitting your report to Scientific Reports. We greatly value the time and effort you put into reviewing the manuscript.
We've attached a copy of the report for your reference. You can also use this email to verify your review activity with third party websites, such as Publons.
You can keep track of your reviewer work on the new Reviewer dashboard associated with your Springer Nature account, and download your certificates.
Please note that in order to download your certificate from the dashboard, the email address with which you submitted your review must be the same as your login / registered email to your Springer Nature account. You can update your email to an existing account, or register
