

IEC-2023

9th International Engineering Conference

“A new Trend for Research and Development in Engineering”

Letter of Appreciation

Date: 7/06/2023

Dear Assistant Professor, Dr. Shahab Kareem

We wish to genuinely thank you for reviewing the 5 articles (listed below) submitted on 9th International Engineering Conference (IEC2023), jointly organized by Tishk International University and Erbil Polytechnic University, and technically sponsored by IEEE represented by IEEE Iraq Section.

Thanks to your contributions, which help us to organize such a great international engineering conference hosted the researchers from all over the world and provide a dynamic and fruitful environment that fosters the scientists, researchers, and scholars in the computer and civil engineering fields.

Thank you again for all of your generous support, we could not have done it without you!
We look forward to your contribution again next year.

List of articles:

- 1- Machine Learning Techniques Evaluation with SMOT on IoT-23 Dataset.
- 2- Automated New License Plate Recognition in Kurdistan Region of Iraq.
- 3- A Review of Different Content-Based Phishing Email Detection Methods.
- 4- Data Mining Integration in Intrusion Detection Systems
- 5- Development and Management of Smart Power Grid Efficiency with 5G Generation

Sincerely,

Dr. Abubakar M. Ashir
IEC2023 Chair
Tishk International University

Dr. Ganjeena J. Khoshnaw
IEC2023 Co-Chair
Erbil Polytechnic University
