Dear Dr. Mustafa,

Thank you very much for joining us at ICCST-2024. Hope you had a good time in Nagoya and get back home safely. We appreciate your enthusiastic participation during the conference. You really made outstanding contributions to our conference and please accept our sincere gratitude.

We should admit that there must have been many things we had not done well and we would greatly appreciate it if you would share us your valuable suggestions and comments.

We believe that your kind suggestions can make next conference more successful. It will be my pleasure if you could take some time to finish these questions.

1. Comments for this conference.
2. A score for presentation content [1(least) – 5(most)].
3. A score for our services [1(least) – 5(most)].
4. Suggestions for future event.
5. Would you like to join in ICCST-2025, (with the link of <https://icst2025.lmsii.org/>) during next Dec. 3–5, 2025 in Singapore with hybrid format?

Please check the attachment for Participants' List attached.

Wish you great success in your research and we look forward to meeting you again in the near future.

Sincerely yours,

Jennifer

Organizing Committee of ICCST 2024
