Ref: "Exploring the Potential of Perovskite Quantum Dots: Synthesis, Characterization, and Investigation their Applications"

Dear Dr Shelan Mohammed Mustafa,

Thank you for submitting your report to Naunyn-Schmiedeberg's Archives of Pharmacology. We greatly value the time and effort you put into reviewing the manuscript.

We've attached a copy of the report for your reference. You can also use this email to verify your review activity with third party websites, such as Publons.

Thanks again for your review; we'll email you the decision on the manuscript as soon as it is made. Meanwhile, we hope that we can continue to benefit from your expertise in the future.

Kind regards,

Editorial Assistant
